

# CONNECTICUT RIVER MUSEUM HOMESCHOOL PROGRAM SERIES 2020-2021

## Discover New England's Great River

### EDUCATION PROGRAMS

We offer homeschool classes available for families & homeschool co-ops looking to supplement their science and history curriculum. Through a variety of programs, students and their families will explore and learn about the history and natural environment of the river through hands-on activities.

Connecticut River Museum Programs encourage:

- Observation, Experimentation, and Exploration
- Discussions about changes in the river valley landscape over time
- Developing skills needed for the conservation and protection of our river

### REGISTRATION INFORMATION

Register for one or more dates online at [ctrivermuseum.org](http://ctrivermuseum.org)

- Minimum 10 students, maximum 15 students
- Tuesdays, 10:00 am to 12:30 pm

Series designed for children age 6-15. Children younger than 6 may attend; adults should plan to explore the Museum with them so that older students may fully participate in all activities.

### PROGRAM FEES

**Museum, nature, and farm programs:** \$16 per student, per session. One adult free. Additional adults \$6 per person. Includes CRM admission.

**June Boat programs:** \$25 per student, per session. \$25 per adult, per session. Includes CRM admission. No children under 6.

Groups are welcome to book customized group field trips.  
Contact the Education Department for information.
