**Please follow all guidelines**

- Wreaths should be between 18" and 30"
- No fresh greenery that will shed, dried mums or hydrangea florals
- Secure all decorations firmly to your wreath.
- Make sure your wreath has a way to hang on a hook
- Battery-operated lights are permitted, but must be turned off. You may leave the batteries in
- No plug-in electric lights
- Wreaths will not be returned
- Wreaths that are not sold in this year's auction may be offered in the next year's auction.

The wreaths you create will not only bring joy to Museum visitors but will also raise much needed funds for the Museum. We are grateful for your time, talent and participation.
